# LIFE MALE STEAM ACADEMY

HOLDS A CROWN  
OVER THE HEADS  
OF ITS STUDENTS  
THAT CHALLENGES THEM  
TO GROW TALL ENOUGH  
TO WEAR IT.

## THE FOUNDERS OF LIFE

Dr. Darryl and Reverend Taleeta Canady founded the LIFE Male Science Technology Engineering Arts and Math Academy in 2015. They believe a STEAM curriculum will equip male scholars with the skills necessary to succeed globally in the 21st Century.

This is the only K-12 male academy with a STEAM focused course of study in the region. Our teachers will prepare students using inquiry-based science & math education, an integrated curriculum, project-based group learning, and career awareness.

## THE MISSION OF LIFE

Our mission is to prepare all male scholars for college success and career readiness. We will also serve as a catalyst to increase the presence of African American males in the STEM pipeline.
